

BLOOM & TONIC

N Y C

Bloom & Tonic is a bespoke, full-service cocktail experience that comes to you.

We furnish custom decor and attentive bartenders alongside pours of top-shelf spirits and expertly mixed libations. Founder and chef Alexandra Dettori draws from her culinary background to devise a menu of botanical, garden-fresh elixirs that blossom on the palate. Tailor our services to your occasion, be it an intimate gathering, al fresco dinner party, fashion event or simply a moment in life worth savoring. Based in Brooklyn, we cater to the five boroughs and the Hamptons.
